

Frequently Asked Questions

Do I have to be a member of the Green & Gold Booster Club to volunteer?

Yes.

All volunteers must be members of the Green & Gold Booster Club before volunteering.

The good news? Membership is completely FREE and only takes a minute or two to complete!

Membership helps protect both our volunteers and our organization while allowing you to participate in GGBC activities, coordinate fundraisers, handle GGBC funds, vote at meetings, and support our students.

 [Become a Member](#)

Why do I have to become a Booster Club member if membership is free?

That's a great question! While membership is free, it helps us maintain accurate records of who is representing GGBC, ensures volunteers understand our mission and expectations, and allows us to communicate important updates throughout the year.

Membership also confirms that you're volunteering as part of the Green & Gold Booster Club, which helps us operate consistently and professionally. Since there's no cost and it only takes a couple of minutes, it's an easy first step before getting involved.

Do I have to be a parent of a Marysville Getchell student?

No!

Parents, grandparents, alumni, family members, community members, and supporters are all welcome to volunteer.

If you're passionate about supporting MG students, we'd love to have you!

How much time am I expected to volunteer?

As much—or as little—as you're able.

We know everyone has different schedules and commitments.

We don't expect everyone to do everything. We simply ask everyone to do something.

Whether that's helping at one event each year or volunteering regularly, every contribution makes a difference.

Do I have to volunteer for my student's team?

Not at all!

Many volunteers help at events outside of their student's activities.

Green and Gold Booster Club supports all Marysville Getchell students, and volunteers are welcome wherever help is needed.

I don't have any experience. Can I still volunteer?

Absolutely!

Most volunteer opportunities require little or no experience.

We'll provide instructions, answer questions, and make sure you feel comfortable before you begin.

Can I volunteer behind the scenes instead of working events?

Yes!

Not everyone enjoys working in front of a crowd—and that's okay.

We have many behind-the-scenes opportunities including:

- Organizing supplies
- Auction procurement
- Inventory
- Graphic design
- Photography
- Data entry
- Decorating
- Marketing
- Website updates
- Sponsorship support
- Building displays
- And much more!

How will I know when volunteers are needed?

Volunteer opportunities will be posted through:

- The Volunteer Calendar
- GGBC emails
- Social media
- Team communications
- Special event sign-ups

You can also complete our [Volunteer Interest Form](#) so we can contact you when opportunities match your interests.

What if I sign up but can't make it?

Life happens!

If your plans change, please let the volunteer coordinator know as soon as possible so we can find someone to fill your spot.

Communication is always appreciated.

Can students volunteer?

Yes!

Many GGBC events and activities welcome student volunteers.

Some opportunities may have age requirements or require adult supervision depending on the event.

Can I volunteer even if I don't have a lot of time?

Definitely!

Some volunteer opportunities take less than an hour, while others may involve a full event.

Every little bit helps, and we're grateful for any time you're able to give.

What should I wear when volunteering?

Dress comfortably and appropriately for the event.

Some volunteer roles may include a GGBC shirt, name badge, or other identifying apparel.

Specific instructions will be provided before your volunteer shift if needed.

Why does the Booster Club rely on volunteers?

The Green & Gold Booster Club is a volunteer-led nonprofit organization.

Every fundraiser, event, sponsorship, concession stand, and student opportunity is made possible because community members choose to give their time.

Simply put:

Our students' success depends on volunteers like you.

I have a special skill or business that might help. Who should I tell?

We'd love to know!

Whether you're a photographer, graphic designer, contractor, accountant, business owner, printer, baker, or have another special talent, please let us know by completing the Volunteer Interest Form.

Many of our biggest successes happen because community members share their unique skills and resources.

I still have questions. Who do I contact?

We're always happy to help!

If you can't find the answer you're looking for, please reach out to the Green & Gold Booster Club.
