Dear Community Partner,

The Green & Gold Booster Club is excited to invite you to be part of **Viva Las Chargers**, our 2027 annual auction benefiting the students, teams, clubs and programs of Marysville Getchell High School.

Each year, our auction brings together families, educators, coaches, local businesses and community members for an unforgettable evening — and you can help make it a success! We are currently seeking donations of products, services, gift certificates and experiences for our silent and live auctions.

Every contribution, big or small, helps us raise funds that go directly back into our school community.

Together We Create Brighter Futures.
